We had 16 band members that made the trip to Mercer yesterday and we all agreed that it was the best parade we'll do all year.....We're grateful that we were invited to be a part of a celebration that was absolutely as fantastic as the Memorial Day 500. Thanks again. Larry Armstrong, Trombonist with the East Liverpool area Alumni Band.

Memorial weekend in Mercer has become an annual event for us as we gather for a family reunion at my sister, Abigail's house. Growing up in Mercer, we never missed the parade as it passed our house on S. Pitt St. The community should be very proud of their efforts to honor our veterans. Looking forward to the 2011 weekend.

I have tried for the past 3 days to get onto this site but it will not fully load. I nominated my father-in-law for the veterans/memorial

parade several years ago after his daughter passed away and I would like to nominate him again. Originally from W. Va. he has been a resident of Mercer county for 50 years. He served in the Navy, joining when he was just 17 like many did in that day. He just turned 87 two days ago. He is a vibrant, lovable man who enjoys spending time at the VFW in Greenville and teaching "youngsters" what America is really about. Thank you, Barb Dishman

I myself am an Air Force veteran of the Desert Storm era and have always enjoyed attending your parade when possible. It takes a lot of work to put on such a great and important event. I belong to a car club "Mahoning Valley Mustangs" which you can tell by the title we are Mustang collectors. We are curious to know if we could help in this year's parade with driving VIPs in the parade. Please let me know if this would be helpful for the parade. Our club has several veteran's of its own, and we are very supportive of our troops especially during Christmas, this past year we sent over 75 boxes to Iraq. Thank you for your time.

I am looking forward to this year's events. Several years ago I was fortunate enough to be able to attend and it was a very impressive event. Most Memorial Weekends prior for over 20 years I attended soccer tournaments. I certainly saw what I missed although the payoff for the soccer was three scholarships. All made possible by the dedication of our veterans.
