I am a member of the Board of Directors of the U. S. Navy Memorial Foundation in Washington, DC. Our Saturday volunteer, Mr. Dan Flynn, wrote to me about his conversation with Mark and Linda Brown of Mercer during their visit to the Memorial and Heritage Center on June 3. Mr. Flynn provided me with Mercere's Memorial Day web site which I have just perused. It is heart-warming to find an entire community that still appreciates what America's armed forces' personnel have sacrificed to ensure our liberty and to bring liberty to other nations in this world. Thank you, Mercer, for an excellent tribute to all these fine men and women.

I volunteer at the United States Navy Memorial in Washington, DC and while on watch on Saturday the 3rd of June I had the happy occasion to meet Mark and Linda Brown, who told me of your attempts to keep Memorial Day alive in the minds of the people, especially the young ones. I applaud your efforts and invite the whole town of Mercer to come visit us at the Memorial. We are located on the nations main street, Pennsylvania Ave., halfway between the White House and the Capitol, across from the National Archives. As the skipper of any ship would say to his men to honor them "WELL DONE MERCER"

Our son, Joseph L. Hood, served in Vietnam and was awarded two Army Commendation medals and a Bronze Star for his actions in the Central Highlands. But like most Vietnam Veterans, he certainly has felt snubbed by most of the public. Your Parade and associated ceremonies has brought him from his home in Ohio back home to Mercer on this day, where I am sure he feels some measure of gratitude for his efforts. Thank you. I am awaiting this years parade as last years was great. I belong to Mercer County Viet-Nam Era Veterans, Messiahs Discples of Pa and proud to be an American. I wanted to let everyone who wants to ride with us on June 10th, 2006 to contact either myself or Ken Marks from Rolling Thunder Pa Chapter 5, burghman1941@aol.com. This run is show "Rememberance and Honor Run For Our Fallen Heroes and Thier Families" from Western Pa. We will be stopping at each community who has lost a local hero of their own. This run starts at American Legion (Lyndora) Butler Pa at Noon June 10th 2006. You don't need a bike to join us, car/truck or whatever is great. Look for our run as it will come through Mercer that day also, because of our own local losses. We will be holding an event for our local heroes who have paid the ultimate Price for Freedom and all the others along the way. Their Families will be honored also while we are here. Please do come out and support this event, it is the least we all can do to show our support to "Our Fallen Heroes and Thier Families". Thank you for your support of our troops and our veterans. Your show your caring daily and that is greatly appreciated by all veterans in Mercer

County. Dave Bailey

I really enjoyed the website, design layout and content. Thank you for putting the time and effort into helping us remember the sacrifices of our predecessors. In today's controversy over the events in Iraq, many Americans have forgotten the veterans who have kept our homeland safe and our ideals alive throughout the years. Whatever your feelings about the Iraq war, it is important to remember who bought your freedom with their own lives.

It was wonderful to realize what a great Memorial Day
commemoration was held in Mercer. It reminded me of a glorified
parade similar to what we had in conjunction with the last day of
school in the early years I went to Mercer Elementary School. I'm

us to participate vicariously! THANK YOU!
